

Proficiency Testing Australia has artefacts in the following areas available for measurement audits.

Acoustics & Vibration Measurement

- Accelerometers
- Acoustic Calibrators
- Octave Filters
- Sound Level Meters

Electrical Testing

- Attenuators
- Calibrators
- Capacitors
- Conductance Boxes
- Energy Meters
- Graphical Multimeters
- Inductors
- Multimeters
- Ohm Meters
- Oscilloscopes (Digital)
- Power Sensors
- Resistors

Heat & Temperature Measurement

- Dry Block Calibrators
- Hygrometers
- Infrared Thermometers
- Mercury-in-glass Thermometers
- Platinum Resistance Thermometers
- Temperature Calibrators
- Thermocouples Type "K"
- Thermometers (Digital)

Physical & Dimensional Metrology

- Angle Gauges
- Callipers Digimatic
- Callipers Vernier
- Dial Gauges
- Gap Gauges
